

# How would you like to step into action?

Canada's Men's National Para Soccer Team is looking for athletes to join its lineup. Building on the momentum set in 2007, when the Canadian Para Soccer team won the bronze medal at the Parapan American Games in Rio de Janeiro, Brazil, we are looking for athletes who would like to join the program and play for a winning team. If you or someone you know has mild cerebral palsy or who have had a stroke or brain injury, we are interested to hear from you.
