

MANITOBA TO HOST NATIONAL B LICENSE COURSE August 20 – 26, 2012

The B National License (B License - Part 2) focuses on working with high performance youth athletes and older ages. This course involves both theory and practical coaching work. Each participant will undergo two (2) practical coaching assessments. Successful participants will receive a Canadian Soccer Association National B License.

Pre-requisite: Successful pass of 'B' Provincial License and approved application through the Manitoba Soccer Technical Department.

Course Length: 6 days residential

Registration: This is a Canadian Soccer Association course, however ALL coaches from Manitoba who would like to attend this level must register through Manitoba Soccer

Manitoba Soccer - B License Candidate Selection Policy

Manitoba Soccer Association's Technical Department and Coach and Player Development Committee has established the following selection criteria for forwarding coaches to the Canadian Soccer Association's B License course. All applicants who have met the pre-requisite and have registered through this process will be reviewed based on the following criteria.

Please note that only 12 spots from Manitoba are available on this course as per the CSA guidelines. All applicants will be notified regarding their status by March 15th. If there are additional spots available through the CSA unsuccessful applicants can try and then apply through the CSA coaching and technical department.
